# .OUR Services

## Furniture Design And Consulting

Every great space begins with a vision.

Our design team works closely with each client, guiding them through every detail - from concept and style to materials and color harmony.

With a deep understanding of individuality and aesthetics, we craft bespoke designs that turn dreams into timeless living experiences.

## Indoor Furniture

We design and craft your interior furniture entirely to your vision and personal style — from bedrooms and living areas to dining rooms, kitchens, and dressing spaces.

Using the finest natural wood and precise finishes, each piece blends beauty and function to create spaces that radiate warmth, elegance, and timeless sophistication.

## Outdoor Furniture

We design and produce outdoor furniture tailored to your space and lifestyle.

Crafted from weather-resistant, high-quality materials, each piece combines durability with refined aesthetics, bringing comfort, nature, and luxury to every outdoor setting.

## Doors and cladding

We design and manufacture bespoke wooden doors and wall cladding made to fit each project's specifications.

Crafted from natural materials with exquisite finishes, our designs bring warmth, depth, and sophistication to every space.

# Indoor Furniture

At Wood Street, we design and craft interior furniture according to the client's preferred style, paying close attention to every detail to achieve the perfect balance between aesthetics and functionality.

We offer a wide range of design styles to suit all tastes, including:

- **Bohemian (Boho) Style** – colorful, relaxed, and inspired by nature and individuality.
- **Rustic / Country Style** – warm, natural, and full of charm.
- **Classic Style** – timeless elegance and refined details.
- **Neoclassical Style** – a blend of classic sophistication and modern simplicity.
- **Modern Style** – clean lines and contemporary character.
- **Industrial Style** – bold textures combining wood and metal.

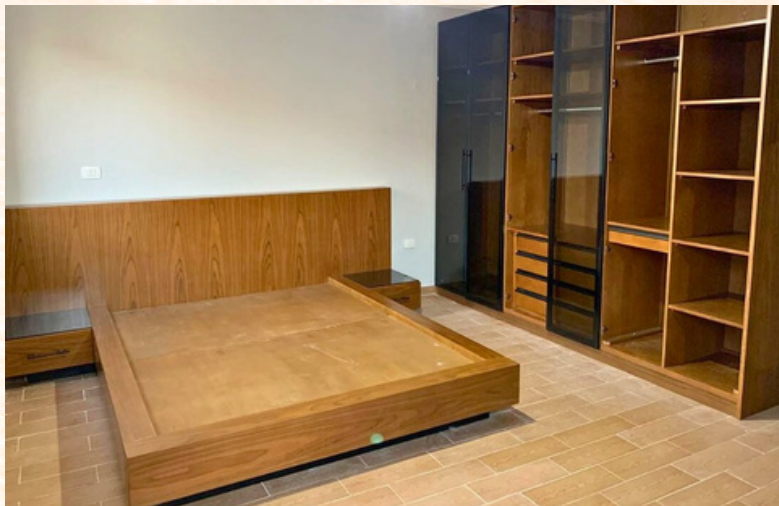

All pieces are crafted from high-quality materials and natural wood, with meticulous finishing standards to ensure both durability and beauty in every detail.
